

ABATE of Central Louisiana is not a club  
- but a non-profit organization formed in  
2004 dedicated to the “freedom of  
choice” for all bikers through legislation.

We’re a Political  
Action  
Committee.

Membership is  
open to anyone  
interested in  
preserving  
freedom of  
the road.  
It’s not what  
you ride or even  
that you ride! Come  
join us and help  
bikers fight for their  
freedom of choice!

Our mission is to protect  
The rights of motorcyclists by  
Promoting legislation that has a positive  
impact on motorcyclists as well as  
fighting any legislation that will have a  
negative impact on “freedom of choice”.
